SIR,

With reference to your letter No L 10072 dated 29-3-46 requesting to visit the sweepers colony, Platform Road and to take necessary steps to - improve the conditions I have the honor to state that I inspected the spot with the Health Officer and the Assistant Engineer and found that there are no pucca drains in the area, that the existing flush latrines are inadequate for the number of families living and that the D C latrines are in dis-repair

The following improvements are being undertaken

1 Construction of drains to lead off sullage into the sewer by inserting a gully trap

2 Construction of few more flush latrines and urinals

3 The existing D C latrines will be dismantalled soon after the flush latrines are ready

Further, it is seen from the records that the acquisition of S No 54 of Hanumanthapura village behind the sweepers quarters was sanctioned at a cost of Rs 1,885/- and the preliminary notification issued as per No L 1078-M1 22-43-3 dated 27-7-43 The Government, while forwarding the copy of their letter No L 1077-M1 22-43-2 of 27-7-43 to the Municipal

Municipal Commissioner, observed that there was difference in the extent of property to be acquired as per the notification issued and as per the letter from the Municipal Commissioner.

The Municipal Engineer, therefore submitted a revised estimate at a cost of Rs 2,490 The difference of Rs 605/- between the orginal and the revised estimates was due to the following -

1. The Municipal Engineer was not aware that a small bit of land was converted into a building site,
2. The open space was valued at Rs 1,000/- an acre and the converted land at Rs 2/- per sq yard
3. there was difference in the extent of land, the area actually measuring 3,964 sq.yards as against 4,025 sq. yards noted in the preliminary notification

This land was proposed to be acquired for constructing huts for the sweepers A plan was got prepared by the Government Architect and the work could not be executed as the land was not acquired

The Municipality has provided a sum of Rs 25,000/- in the current years budget for the construction of sweepers houses and tenders have been called for The construction of these houses cannot be undertaken unless the S No 54 is acquired I would therefore request you kindly to obtain orders of Government to acquire the land under Section 17 of the Land Acquisition Act

I have the honor to be,
Sir,

Sir,

In Continuation of G.O. no A 135-7 M 22-45-112 dated 3-7-46 sanctioning the acquisition of the above properties, I am directed to point out that preliminary notifications for the acquisition of these properties were issued in G.O. The records disclose that the cost of acquisition of these lands has in the meanwhile, increased from about Rs 1855- to Rs 2470/ which could have been avoided, if prompt action had been taken by the Municipal Council in this behalf.

SIR,

Subject. Acquisition of S No 54, Hanumanthapur village, Bangalore North Taluk, for constructing Sweepers Huts in the Plat Form Road, I Division, Bangalore City.

With reference to your letter No L.919 dated 18-7-1946 and subsequent reminder No L 5107 dated 26-10-46 calling for a report with reasons for the inordinate delay in submitting the final declaration statements on the above subject, I have the honor to state that in the first instance a total area of 4025 Sq.yds of vacant land and 1404 sq.ft of the building portion was notified in the Gazette in the name of Mr M B. Shamaiah vide Preliminary Notification No L 1078 Ml.22-43-3 dated 27-7-1943(vide copy enclosed).

When objection was called for under Section 5(A) of the Land Acquisition Act, it was ascertained that Mr.M B Shamiah had formed some sites measuring 80' x 40' out or the whole area notified for acquisition and sold them privately to different persons through Registered Sale Deeds. Then the matter was again referred to the Municipal Engineer for further investigation and report With much difficulty, the names of some of the purchasers of the lands were traced out and fresh valuation statement was got prepared for Rs 2,490/- for the acquisition of Survey No.54, Hanumanthapur Village in place of Municipal No 4

In the meanwhile, the matter was deferred for some time in view of the fact that the cost of constructing the Sweepers Huts would be very high owing to the abnormal increase in rates of building materials During the current year the matter has again been taken up and notification for acquisition under Section 17 of the Land Acquisition Act as per instructions issued by Government in their order No L.12789 dated 16-5-1946 has been published in the Gazette dated 11-7-1946 in G O No L.168-Ml 27-45-113 and 114 dated 3rd July 1946, authorising the Special Land Acquisition Officer attached to this Municipality to take order for the acquisition Accordingly he is taking needful action in the matter.

P.T.O

In the above circumstances, I am to state, that the delay in submitting the Final Declaration Statements was unavoidable.

I have the honor to be,
